Volunteer Application Process

Application Period Opens:

Complete the Application and Questionnaire

Either mail, email, fax or deliver the application packet to our main station on highway 101. You can call us any time if you have questions.

We evaluate the application and Questionnaire.

If application checks out:

We contact you for an in-house or online interview.

We contact you for an in-house or online interview.

Following a successful interview, you will be given paperwork to consent to a background check, drug test and DMV check.

Following successful results, you will be given access to start online classes.

You will be required to complete a free Firefighter Occupational Physical Exam (at Cascade Health in Eugene) prior to taking the Physical Agility Test.

You will be issued Turnouts and fitted for a SCBA mask. One week prior to the Academy you will complete the physical agility test (a description is provided in the application packet).
